## LG4 PLASTIC LIFESTYLE SEATING

---

The LG4 collection has been developed to add modern style, comfort and practicality to any interior. Beautiful design is complemented by utilising the latest materials science to provide lightweight yet strong models that will stand the test of time. The LG4E offers a single piece, sculpted seat shell that is available in an array of striking colours. The stylised moulded four legged frame pitches the seat at the perfect angle and is available in simple black or white options.
