

GRESHAM

ATRIUM

PRODUCT DATA SPECIFICATION

ATRIUM

PRODUCT DATA SPECIFICATION

Simple in shape, Atrium is easily reconfigurable making it ideal for busy workplace environments.

Materials

The framework is produced from a combination of hardwood and softwood timber, and wood-based sheet materials. This combines strength and stability whilst allowing smooth ergonomic forms.

The frame is covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use.

Upholstery fabrics for seat and backs are available in a wide selection of patterns, colours & weaves, suitable for contract use in public areas.

Considerations

- Deep seat cushions & generous upholstery
- Smooth upholstery lines promote longevity of use & reduce ware.
- Available with a choice of legs
- Two tone upholstery available.
