

GRESHAM

**DORNEN**

PRODUCT DATA SPECIFICATION

GRESHAM

# DORNEN

## PRODUCT DATA SPECIFICATION

A harmonious combination of both traditional and modern, Dornen seamlessly blends comfort with style.

### Materials

Seat and back shells are produced from injection moulded Polypropylene.

Frames are produced from Beech hardwood that is glued and dowelled at each joint for strength. These have a clear lacquer finish.

Barr stools have a foot rail manufactured from circular tubular steel with a chrome plate finish. As well as offering the facility to rest users' feet when seated, they provide additional strength the taller wooden frames used on the stools.

### Considerations

- Curved backrest & contoured seat for comfort.
- Lightweight for ease of movement.
- Hardwood frame
- Wipe-down seat and back

### Technical Details

		
Model	DOR1	DOR2
Seat Height	450	650
OA Height	800	950
OA Width	420	420
OA Depth	510	520
