## PRODUCT DATA SPECIFICATION

The perfect match for any breakout or touch down area, Moons & Rounds nest together to provide a seamless blend of function and style.

### Materials

The framework is produced from a combination of solid timber, and wood-based sheet materials.

These structures are covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use.

Upholstery fabrics are available in a wide selection of patterns, colours & weaves, suitable for longevity in public areas.

Where table tops are included, these are produced from Melamine Faced Chipboard (MFC) panels with 2mm high impact resistant ABS edging that has rounded corners and edges for comfortable use

### Considerations

- Two Tone Upholstery available
- Choice of feet or castors
- Smooth upholstery lines helps to reduce ware when used.
