

GRESHAM

NAO

PRODUCT DATA SPECIFICATION

GRESHAM

# NAO

## PRODUCT DATA SPECIFICATION

Nao sofas offer a rectilinear, block design with highlight, feature panels in the back and outer arms.

### Materials

The framework is produced from a combination of hardwood and softwood timber, and wood-based sheet materials. This combines strength and stability whilst allowing smooth ergonomic forms.

The frame is covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use.

Upholstery fabrics for seat and back pads are available in a wide selection of patterns, colours & weaves, suitable for contract use in public areas.

### Considerations

- Deep seat cushions & generous upholstery
- Smooth upholstery lines promote longevity of use & reduce ware.
- Panel detail for colour customisation.

### Technical Details

			
Model	NAO1	NAO2	NAO3
OA Height	820	820	820
Seat Height	430	430	430
OA Width	610	810	710
OA Depth	750	750	750
