FEATURES

- Light weight for ease of movement
- Choice of upholstery fabrics
- Choice of wood finishes
- Suitable for contract environments such as restaurants and cafés
- Suitable for in-door use only
- With or without arms

MATERIALS

The shell is formed from plywood that has pre-fitted T-nuts to locate fixings. This is then covered with CMHR foam to provide comfort and then finished in a selection of upholstery grade fabrics. Wooden legs are produced from hardwood. These have a clear lacquer finish.
