## FEATURES

- Available as either a two, four or six-seater pod with a flat or pitched roof
- Choose to upholster your pod in one shade of fabric or pair two complementary or contrasting tones to create all-out statement
- 25mm Oak MFC
- PIR lighting with a choice of pendant or spotlights
- Table tops supplied with rear scallop cut out for use with service modules
- Optional glazed front available

## MATERIALS

The framework is produced from a combination of hardwood and softwood timber, and wood-based sheet materials. This combines strength and stability whilst allowing smooth ergonomic forms.

The frame is covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use. Upholstery fabrics for seat, back and arm panels are available in a wide selection of patterns, colours & weaves, suitable for contract use in public areas. Each unit is fitted with Polypropylene glides that can be adjusted to accommodate uneven floors.
