TAKE UP BOOTH

BOOTH SEATING

Create your own environment with this acoustic, high-backed sofa and booth system.

Perfect whether needing privacy, wanting to socialise or function within a considered environment. Available in three height options, with and without arms, integrated tables and technology, this modular system offers endless configuration possibilities. Take Up works with you to design a collaborative area that can be placed in open-plan areas to create an instant meeting space for groups of people.

MATERIALS

The framework is produced from a combination of hardwood and softwood timber, and wood-based sheet materials. This combines strength and stability whilst allowing smooth ergonomic forms.

The frame is covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use.

Upholstery fabrics for seat, back and arm panels are available in a wide selection of patterns, colours & weaves, suitable for contract use in public areas.

Each unit is fitted with Polypropylene glides that can be adjusted to accommodate uneven floors.
