UNOA BOOTH

A SMARTER SPACE FOR MODERN COLLABORATION

The Unoa Booth is designed to meet the growing demand for private, comfortable meeting spaces within open-plan environments. Perfect for focused discussions, presentations, or video calls, Unoa delivers exceptional acoustic performance in a compact footprint.

Its design supports the optional integration of a monitor, enabling seamless collaboration and virtual connectivity with minimal disturbance to those nearby. With frame finishes available in Natural Oak or Dark Walnut, Unoa offers both functionality and aesthetic appeal - making it a sophisticated addition to any workspace.
