HECTA

DESIGN SIMPLIFIED

A playful adaptation of the name of the classical Greek hero, Hector; this classically designed chair is both timeless and elegant. Its moulded seat shells and tailored upholstery provide a feeling of luxury and comfort. The high-back wing chair also offers a sense of tranquillity due to its' acoustic properties and as such is perfect for breakout areas, lounges and busy areas where an oasis of peace is desired. The Hecta is available with three styles of base and either one-tone or two-tone upholstery which has comfort as well as a look which is contemporary as well as timeless and elegant.

HECW

WOODEN FOUR LEG BASE

This solid structure option provides stability and style in equal proportions. The sweeping lines of the Hecta design combine with the frames' robustness to ensure a feeling of luxury. Available in a number of upholstery options and wooden finishes such as beech and oak, this chair gives an air of elegance wherever it is placed.

HECS

FOUR STAR BASE

The 4 Star Base option creates a feeling of home and comfort, which when added to its' swivel and tilt capability, would be at home in any environment and would be suited to several uses, including an executive chair. The hard-wearing metal base comes in a choice of several finishes to complement the upholstery options.

HECP

WOODEN PYRAMID BASE

This chair combines the elegance and functionality of the Hecta range with a Pyramid wooden base. The modern and inspiring design seamlessly adds comfort to strength with its metal fixings and natural wooden base. A perfect complement to any work or leisure space, this provides the ultimate in comfort and functionality.

FINISH OPTIONS

Hecta can be upholstered in a wide range of upholstery fabrics and leathers with a single or two tone fabric option.
