

GRESHAM

KULTURE MOVET

PRODUCT DATA SPECIFICATION

GRESHAM

KULTURE MOVET

PRODUCT DATA SPECIFICATION

Movet is the perfect chair with a sliding seat and tilting back for meeting and conference spaces.

Materials

Seat & Back:

Fiberglass reinforced Polypropylene seat and back with polypropylene arms (if specified).

Upholstered version:

Upholstery pads are produced from Polypropylene that are covered in CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance to flammability requirements.

Structural frame:

Mild steel frame. Structural elements, such as frames are manufactured in steel. These are produced from tubular sections and finished in a epoxy powder coating.

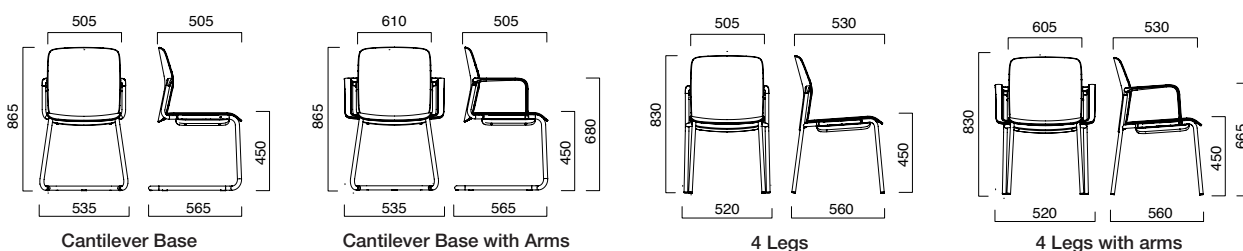

Optional Features:

Two tone fabric available - Price based on the highest banding.

Considerations

- 4-leg and cantilever chairs stackable up to 4 chairs high.
- Cantilever chairs made from 25mm Ø tubular steel.
- 4-leg chairs made from 22mm Ø tubular steel.
- Integrated tilt mechanism with 35mm of travel.
- Tilting back rest.
- Optional arms.
- Available in a selection of frame colours.
