KULTURE TASCA

CONFERENCE, MEETING AND CAFÉ SEATING

Introducing the Kulture Tasca Chair - the perfect solution for a comfortable and stylish office seating option. Designed with ergonomic features, the Kulture Tasca Chair provides ultimate support for your back, neck, and shoulders, ensuring you can work comfortably for hours on end. The contoured mesh backrest allows air to circulate freely, keeping you cool and comfortable during long working sessions. The seat is fully adjustable in height, tilt, and tilt tension, allowing you to customize the chair to your exact needs. The synchronized tilt mechanism ensures that the seat and backrest move in unison, providing a smooth and effortless reclining experience. With a sturdy five-star base and smooth-rolling casters, the Kulture Tasca Chair allows for easy movement around the office, while the armrests provide additional support for your arms and shoulders. The Kulture Tasca Chair is not only functional, but also sleek and stylish, with a modern design that will complement any office decor. Available in a range of colours to suit your preference, this chair will make a statement in any workspace.
