LC11 STOOL

LIFESTYLE SEATING

The LC11 collection is a contemporary family of chairs offering an elegantly curved, single-piece shell with a variety of frame possibilities. The sculpted polymer shell is available in an assortment of colours or can be specified in a selection of upholstery fabrics, whilst the wooden frames are offered in two heights matching the style of the LC11 Wood series. These can be specified in either complementary woodgrain or opaque finishes that add a natural warmth to each product.
