LG31

PRODUCT DATA SPECIFICATION

GRESHAM

LG31

PRODUCT DATA SPECIFICATION

LG31 is a family of single-piece laminated shell chairs and stools in a choice of classic styles.

Materials

One piece laminate shell in either ash veneer or black painted wood veneer with a choice of contemporary frames and matching stools at both breakfast bar and poseur table height

Seat foams can be added for additional comfort with CMHR foam and finished in a selection of upholstery grade fabrics.

Tubular steel black epoxy powder coated frames for durability fitted with polypropylene gliding feet to reduce floor scratching and for ease of movement on carpet.

Considerations

- Wipe Clean as full laminate or with seat pad upholstered for additional comfort
- 4 legged side chair is stackable, 4 chairs high
- Matching stool frames for multiple environments
