# MOMENT CANOPY

AT HOME ANYWHERE

Introducing Moment Canopy - the newest addition to our popular Moment steel table range. With dining, Poseur, or a combination of both options available, you'll find the flexibility to choose the perfect fit for your needs. The Moment Canopy comes in starter and add-on formats, and some options even allow for castors, making them mobile and easy to move around your space. Take advantage of the optional extras, including power, an upper shelf, or a wire basket to enhance both lighting and biophilic options. You can truly customize your Moment Canopy to create a unique and functional workspace. With its sleek and modern design, the Moment Canopy is sure to elevate the style and functionality of any workspace. Choose the Moment Canopy and experience the perfect combination of flexibility, mobility, and customization for your workplace needs.
