OSCAR

DESIGNED BY

JONES & PARTNERS

Oscar makes light work of long days at the office. Its sleek, modern styling cleverly hides innovative flexibility: interchangeable backrests that allow you to personalise your chair. Choose from a rainbow of colour options across frame, back panel, optional sprung headrest and seat. Lumbar support comes as standard and it's easy to adjust. Comfortable and dependable, every office needs an Oscar.

JONES & PARTNERS

Jones & Partners is a multi-award winning London-based design practice committed to the development of high quality furniture and product design. The company was founded in 2000 and its aim is to provide a complete and fully resourced service that produces exciting designs with solid commercial viability. They share a passion for beautiful and intelligent design solutions.

OSCAR

DESIGNED BY

JONES & PARTNERS

We've considered everything in the design and production of Oscar – user requirements, materials, styling and sustainability. Considerable attention to detail has been spent on ergonomics; lumbar and pelvic support as well as ease of use and comfort. Oscar is a chair with multi-faceted features that brings its own personality into the workplace, making it both accessible and appealing to modern professionals.
