SJX BEAM SEATING

SYNOPSIS

SJX Beam is the perfect seating solution for a variety of applications, with fully upholstered, mesh back and upholstered seat or plastic seat and back options and four coloured plastics. The shape of the seat back promotes good posture for long periods of sitting, preventing back ache. For areas with high traffic, alternative floor fixing end frames are offered to allow for units to be bolted to the floor for health and safety reasons. SJX Beam is available as two, three, four or five seats with table configurations.

SJXB2STU SJX Beam 2 Seater with Table Fully Upholstered in Camira Gravity Petal CPC01 (Shown with Optional Arms)

ZELA BEAM SEATING

SYNOPSIS

Zela Beam is a versatile and comfortable, modern polypropylene conference seat, which utilises the very latest moulding techniques, with fully upholstered, upholstered seat or plastic seat and back options, and the opportunity to choose from a selection of eight coloured plastics to personalise your space. This hard wearing, elegant and versatile, Beam Seating range is perfect for small reception areas, large waiting rooms and transport lounges. Zela Beam is available as two, three, four or five seats with table configurations.

ZLB3BP Zela 3 Seater Fully Upholstered in Camira Blazer (Shown with Optional Arms)

JONQUIL BEAM SEATING

SYNOPSIS

Jonquil Beam applies itself to several environments. Ideal in a number of healthcare settings including public seating areas, waiting rooms, reception areas, corridors, doctor's surgeries and clinics. Choose from fully upholstered, beech veneer back with upholstered seat, beech veneer seat and back or plastic seat and back that's available in four colours. The seat and back design is generously contoured, and when upholstered with high-density foam, the padding provides good comfort during prolonged use. Jonquil Beam is available as two, three or four seats with table configurations.

JONB3SU 3 Seater Jonquil Beam Fully Upholstered in Camira Zap Snap ZAP01 (Shown with Optional Arms)

ELSA BEAM SEATING

SYNOPSIS

Elsa Beam is a premium and robust beam system that lends the design from our Heavy Duty chair range for a secure and comfortable waiting room row seat. The units are ideal for hospital and medical reception rooms, waiting areas and other public area environments. The fully upholstered CMHR foam back is offered in high, full and three-quarter size with a similarly upholstered seat for ultra-comfort for long periods of sitting. Elsa Beam is available as two, three or four seats with table configurations and a choice of a triangular frame or angular frame for a modern look and premium feel. Triangular Frames can be floor mounted.

EHR2 2 Seater Elsa Beam Seating High Back Fully Upholstered in Chieftain Just Colour Damson - Purple (Shown with Optional Arms)

BEAM TABLES

SYNOPSIS

When configuring your Beam Seating, you may want to think about adding a table. Tables with a rectangular footprint can be fitted at either side, between seats or in the centre of the beam. This will add a flat surface where patrons can place their belongings or drinks, and magazines and leaflets could be positioned there for general reading. Tables are available in any of our standard MFC wood grain or coloured Laminate finishes to match other specified furniture or surroundings. All our MFC and Laminate finishes are available to view online at www.gof.co.uk. Alternatively contact our Sales Team for one of our Wood and Metal Sample Packs.

FABRIC OPTIONS

BEAM SEATING

All of our Beam Seating units are available in a choice of vibrant fabrics to detail personality and add life to reception rooms, waiting areas and other public environments. You can also specify your Beam Seating in hardwearing contract vinyl's that contain anti-bacterial and anti-microbial agents, which are designed for use in high risk infection control areas. They are wipeable and washable and suitable for severe contract use. Spradling, Kvadrat, Gabriel, Vescom, Camira, Panaz, Bute, Agua, Svensson and Chieftain Fabrics are just a few of the upholstery companies we recommend when specifying Beam seating.
