

GRESHAM

# LG4 CHROME

PRODUCT DATA SPECIFICATION

GRESHAM

# LG4 CHROME

## PRODUCT DATA SPECIFICATION

The LG4 collection has been developed to add modern style, comfort and practicality to any interior.

### Materials

The LG4 features a single piece, injection moulded Polypropylene seat and back shell. This is moulded with threaded steel inserts that accept machine screws allowing a variety of bases to be fitted.

Frames are produced from either 11mm solid steel rod or 16mm circular steel hollow section. Frames are available in a chrome plate finish and have Polypropylene glides to prevent polished floor from being scuffed in use.

### Considerations

- Light weight for ease of movement
- Selection of shell colours
- Choice of frame finishes
- 'Wipe-down' seat and back surfaces for ease of maintenance
- Suitable for contract as well as lie-style environments
- Suitable for in-door use

### Technical Details

			
Model	LGA1	LG4B1	LG4J1
OA Height	825	825	1130
OA Width	510	480	520
OA Depth	510	490	540
Seat Height	450	450	760
