LG4 CHROME

LIFESTYLE SEATING

The LG4 collection has been developed to add modern style, comfort and practicality to any interior. Beautiful design is complemented by utilising the latest materials science to provide lightweight yet strong models that will stand the test of time. In its simplest form, this family offers steel four legged or sled framed options featuring a clean, bright chrome finish. These lightweight, yet durable chairs are designed to stack; simply reducing the space taken when not in use.
