TABLES

As part of our every-growing portfolio of Lifestyle products, these families of tables have been introduced to co-ordinate with a selection of lounge seating; making those `away-from-desk' areas more cohesive.aa

## LS21

This concise collection of tables offer either circular or squared tops supported with a stylish pyramidal light weight `spider' base that brings clean lines and sophistication to life-style areas. Tables are available in lounge and reception heights and complement other Gresham seating models. Designed to match a variety of lifestyle seating.

## LS22

This small family of tables offer either circular or squared tops supported with a stylishly simple cruciform base that can be colour coordinated to match their environment. Tables are available in lounge and reception heights, can be used individually or complement other Gresham seating models. Designed to match a variety of lifestyle seating.

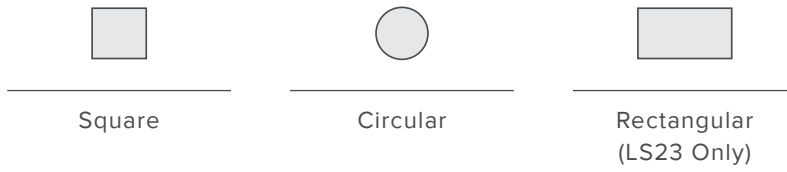

## LS23

These sled framed tables have been designed to be used with any of our lifestyle products where continuity of style is key. Offered in a selection of footprints, sizes and finishes, these tables are the perfect solution for simple breakout areas where complexity and clutter are to be avoided. Designed to match a variety of lifestyle seating.

# FOOTPRINTS

The LS Tables are available in a variety of footprints, each with two height options. A 455mm high coffee table height, or 575mm high lounge height.
