PRODUCT DATA SPECIFICATION

# OUTWOOD

## PRODUCT DATA SPECIFICATION

Outwood is a modular sofa and table system that are ideally suited to public access environments.

### Materials

The framework is produced from a combination of hardwood and softwood timber, and wood-based sheet materials. This combines strength and stability whilst allowing smooth ergonomic forms.

The frame is covered with CMHR (Combustion Modified High Resilience) Polyurethane foam for comfort and compliance with flammability requirements for contract use.

Upholstery fabrics for seat and back pads are available   in a wide selection of patterns, colours & weaves, suitable for contract use in public areas.

### Considerations

- Deep seat cushions & generous upholstery
- Smooth upholstery lines promote longevity of use and reduce ware.
- Easily reconfigurable
- Can be used in open plan areas or around perimeters.
- Seating available with and without arms.
