UNOA BOOTH

STYLISH. ELEGANT. ICONIC.

As the needs of the workplace have evolved over the last two-years, we, in turn, have adapted our product offering to include pieces such as the Unoa Booth. Allowing for small meetings to take place in a comfortable yet private setting, Unoa's acoustic properties are unparalleled for a solution of its size. The design also allows for inclusion of a monitor* for supporting presentations and video calls, which, thanks to the optimal acoustics of the booth, can be carried out with minimal disturbance to those working nearby.

Choose from either a Natural Oak or Dark Walnut finish for Unoa's frame.

*Monitor not included
