ELCO

LOUNGE

With clean lines and a contemporary aesthetic, this capsule range is the perfect balance of style and function. Designed by Dorigo Design, Elco incorporates the highest quality materials and craftsmanship. Each piece is crafted to provide maximum comfort and durability, with a focus on sleek design and versatility.

Items within the range are crafted from responsibly sourced materials, such as FSC certified wood and recyclable content, ensuring minimal environmental impact. We partner with suppliers who share our values, using eco-friendly manufacturing processes and reducing waste wherever possible. Due to its innovative production methods, Elco can be recycled without stripping the outer foam.
