KULTURE ALMAR

AT HOME ANYWHERE

Designed with hybrid spaces in mind, Kulture Almar, comprises chic, contemporary credenzas. Available in three styles, with the option of either single or dual tiers, and an MFC or laminate finish, this beautiful collection marries practicality with expert design precision.

Elevating the humble storage solution to the focal point of an interior scheme with mid-century-inspired linear aesthetics, and cool, curved edging, the pieces that make up the Kulture Almar range are equally at home in either residential or commercial environments - from co-living developments to workspaces and high-end hospitality venues.

KULTURE ALMAR
